

Peer Support for people registered with Community Living Well

✦ Important information

The Peer Support Calendar is sent out every week to inform members about the peer support activities and contact details for booking a place. Please note:

- Places are limited and have to be booked in advance for all activities
- If you would like to join more than one online mental health support group (MHSG) please note there is now a limit of three per week. This does not affect social groups where there is no limit.
- You can respond to the Sunday text or contact the named staff member, however if you would like to book a group that is on Monday before 12pm please contact the named staff member directly

One2One Peer Support: in person, online or by telephone

Meet with a peer support worker to talk through emotional challenges and share coping suggestions. Talking helps, but not everyone is comfortable talking in a group and even if you are, sometimes it's nice to be able to talk to someone on a one-to-one basis. When you're talking with a peer you are with someone who is equal to you, not a professional therapist or counsellor. It's someone who can put themselves in your shoes.

Appointments for One2One Peer Support are available throughout the week and can be accessed by referral through the Community Living Well website @ <https://communitylivingwell.co.uk/how-we-can-help-mental-health/peer-support-kensington-chelsea-westminster/>

“Sometimes we need someone to simply be there... not to fix anything or do anything in particular but just to let us feel we are supported and cared about.”
